

## Two-wheel electric mobility: FCA Bank and Vmoto Soco sign new partnership

- **The agreement - effective in Italy and, soon, in other countries - covers all models of Vmoto: from the TS Street Hunter to the TC Wanderer, and the CUmini, CUx, and CPx scooters.**
- **The Bank will provide its financial solutions to dealers and end customers of the brand, which specializes in two-wheeled urban green mobility.**

Turin, 15 November 2022

Two-wheeled mobility rides towards innovation and sustainability with **FCA Bank**. The Bank further extends the reach of its services by entering into **a new partnership with Vmoto Soco**, one of the most innovative brands in the electric moped and motorcycle sector, with a well-established presence in 62 countries worldwide.

Thanks to this agreement - effective in Italy and soon to be extended to other countries - FCA Bank will provide Vmoto Soco's dealer network and end customers with a wide range of innovative and flexible **financial solutions**. The partnership includes all of the Group's brands, **ideal for urban and sustainable mobility**.

Company products range from scooters, in both CUmini and long range CUx versions, to the **TC Wanderer** and **TS Street Hunter** e-motorbikes, which are light and nimble, able to handle heavy traffic and rough road surfaces with ease. The partnership also covers the company's latest innovation, the high-performance **CPx** electric scooter which, with its 137-km range, is evocative of out-of-town trips.

The partnership, which was signed at EICMA, stems from the vision of the future shared by FCA Bank and Vmoto Soco, both of which are committed to promoting a new paradigm of urban mobility that is cutting-edge and environmentally friendly. For the Bank, it also constitutes a further step ahead on its evolutionary path, with the aim of extending and solidifying its presence in the world of two-wheelers
