Turin, 10 February 2021

After a 2020 in the name of sustainability, FCA Bank and Leasys dedicate an entire commercial campaign to green products and services. Starting from today, Green Deals is a month of special offers dedicated to green mobility and totally digital financial and banking products. The offers will be active until the end of February and are designed to make the services offered by the Group and its mobility company Leasys even more accessible and convenient.

FCA Bank and Leasys launch a cross-country commercial promotion that includes 10 European countries simultaneously dedicated to sustainability. Italy, France, Germany, Spain, UK, Netherlands, Poland, Portugal, Denmark and Belgium will offer their customers the best digital solutions to satisfy every green mobility and financial needs in every different market.

The strong expansion of the FCA Bank Group also finds its place in these initiatives, which strategically involve all the markets in a synergistic, digital and green way, three cornerstones of the group's vision, which aims to offer customers from all over the Europe the same customer caring.

Leasys

Leasys, a Stellantis Brand, and a subsidiary of FCA Bank, a 50:50 joint venture between Stellantis and Crédit Agricole, was established in September 2001. Leasys offers a complete and innovative system of mobility services to individuals, professionals and businesses of all sizes: from short, medium and long-term rentals to car sharing as LeasysGO! or peer-to-peer one via U Go and I-Link platforms. At the end of 2019, it launched the first car subscription service in Italy with CarCloud. With the Clickar brand, Leasys is also one of the leading Italian online and offline retailers of pre-owned company cars to individuals, professionals and companies. Headquartered in Italy, Leasys began a process of internationalisation in 2017 by opening multiple offices throughout Europe: today the company operates in Spain, France, the United Kingdom, Germany, Belgium, the Netherlands, Portugal, Denmark and Poland, managing a fleet that will have over 400,000 vehicles by the end of 2021. In June 2019, the company launched the Leasys Mobility Stores, physical outlets with a grassroots presence across Italy. Now also available in France, the stores offer customers access to all the mobility services provided by Leasys. The stores will be available shortly also in the other European countries where the company is operational. With the launch of the first totally electrified Mobility Store in Torino Caselle airport, Leasys is on track to become a key operator also for sustainable mobility. In fact, thanks to the installation of over 1,200 charging stations in all the stores by the end of 2020, Leasys actually has the Italy's largest electrified network. In 2021, the electrification project will continue also in the European countries in which Leasys operates. For more information: www.leasys.com
